## 9 am Start

The Half Marathon start and finish are located at the Sun Valley Resort pavilion. The resort is located less than a mile from the Ketchum town center.

## Parking

Parking is available across the street (Elkhorn Rd.) from the pavilion. A secure bag drop is located at the start/finish area for keeping warm and/or dry clothes for pre and post race.

## Course

The course is a USAT&F sanctioned half marathon (13.1 miles) on mostly paved bike paths and roads. There is a short (approx. 1/2 mile) section of wood chip path between miles 7 and 8. The footing on the wood chip path is very good.

The course has one significant hill that begins at mile 0.5 and ends at the top of Elkhorn Hill at mile 1.2. After the initial climb, the course descends and rolls through mile 5 where the bike path turns north and follows the Big Wood River for the next 4.5 miles until you reach the north end turn around point. The final 3.5 miles include one more hill on Saddle Rd. from Highway 75 to Sun Valley Rd.

Go to [www.sunvalleyhalfmarathon.com](http://www.sunvalleyhalfmarathon.com) to view the course map and elevation profile.

## Aid Stations

6 aid stations will be located at miles 2, 4, 7, 9, 10, and 12. Portable toilets will be located at all aid stations.

## Timing

Electronic chip timing will be used for fast, accurate results.

## Packet Pickup

Packets can be picked up on the day before the race at the Elephant's Perch shop in Ketchum from 12pm until 6pm. Late registration will also be available at that time. Timing chips will be assigned at that time. Day of race packet pickup is available beginning at 7am until 8am at the start/finish area. Timing chips will be available at day of race packet pick up.

## T-shirts

All entrants will receive a Sun Valley Half Marathon technical T-shirt. HOWEVER, only pre-registered Planning Ahead entrants will be guaranteed their size and gender choice. Women's specific T-shirt sizing and cut are available for our female participants.

## Awards

Awards will be given to the first three male and female finishers overall and in 5 year age groups, and the first male and female to reach the summit of Elkhorn Hill (provided they continue to complete the rest of the course.)

## Kid's Zone

An elaborate and festive kid's zone will be open during and after the half marathon for family members of participants to enjoy. There will be a free kid's Marafun (approx. 0.25 mi) staged at 11:30am around the Kid's Zone.

## On Course Music

Live musicians will serenade the runners at various points along to race course. I-pods are allowed during the race in case you prefer your own brand of musical inspiration.

## Post Race Party

Finishers can enjoy a great outdoor party at the finish area featuring hot food, refreshments (and beer!), and music.

## Volunteers

Sun Valley Half Marathon volunteers are greatly appreciated and will each receive a T-shirt with the half marathon emblem. Volunteers are invited and encouraged to join the finishers at the post race party and to congratulate the winners of the Best Aid Station contest.
